

# Invitation to the final conference and use case demonstration of the Horizon 2020 project

## 5G-LOGINNOV

7 November 2023

Port of Koper – Slovenia

Venue: Pretorska palača, Titov trg 3, Koper

Dear partners,

Luka Koper d.d. kindly invites representatives of ministries, national agencies, local authorities, logistics companies, ICT undertakings, and representatives of the local port community to the **5G-LOGINNOV FINAL CONFERENCE** and the demonstration of use cases.

In addition to the presentation of the 5G-LOGINNOV results, there will be an open discussion on the technological readiness of 5G for port and logistics systems. We are pleased to be hosting the Minister of Digital Transformation of the Republic of Slovenia **Emilija Stojmenova Duh, PhD.**

The event will be held in English.

Kindly confirm your participation by 27 October 2023 using link [5G-LOGINNOV conference](#)
